**Subject:** comments due by 1 pm on FL run of show

Hi,

R4 has compiled what they are calling a run of show on FL's program approval. They have been asked to get it to Jeanneanne today by 1:30 pm. Jeanneanne will share with Mary who intends to share with Sr. Management (i.e., Dave and David). Jeanneanne has asked that the outstanding issues be removed (I left them in here FYI).

I have provided comments, my biggest one is that this run of show does not give calendar dates which I think are most useful to Sr. Mgt as it shows them better where these actions might be crunching at the same time as others. It is all hypothetical until we get a package but it is still helpful.

Unless you have additional clarifications, I'll let the region know we are good here at staff level and will forward the version shared with Jeanneanne with John when we receive it.

Thanks, Kathy
